

my Big Campus

Teachers and students working and learning together

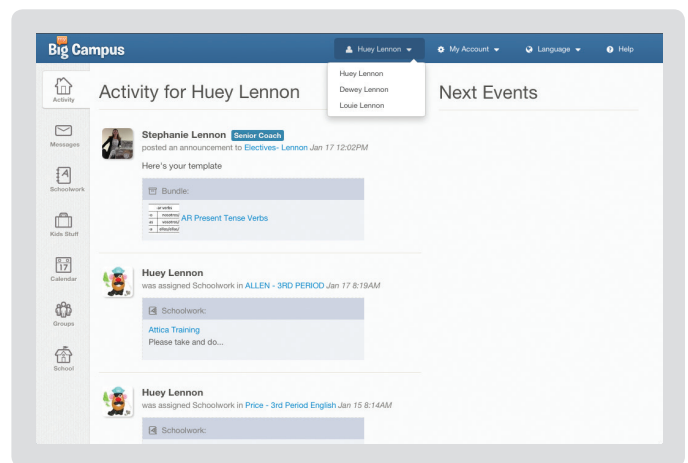

My Big Campus is the buzzing educational hub between a student and the Web. Part social network, part learning management system, and part content management system, My Big Campus is the only solution that safely brings together all the tools students and educators need and makes them easy to access and easy to share—so it's easy and fun to learn.

What could you do with My Big Campus?

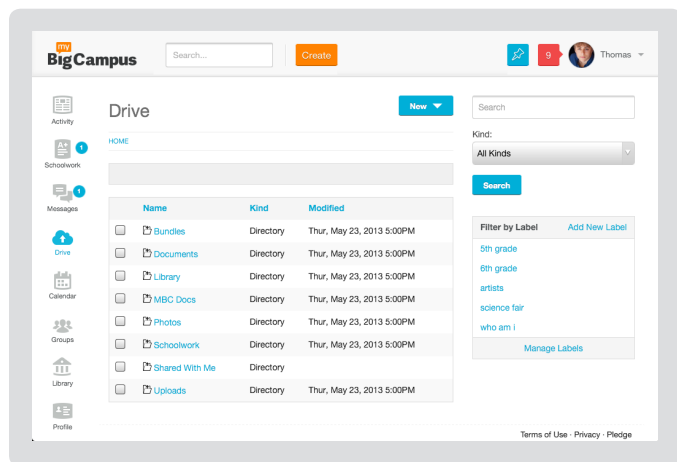

Engage students with a safe, collaborative extension of your classroom

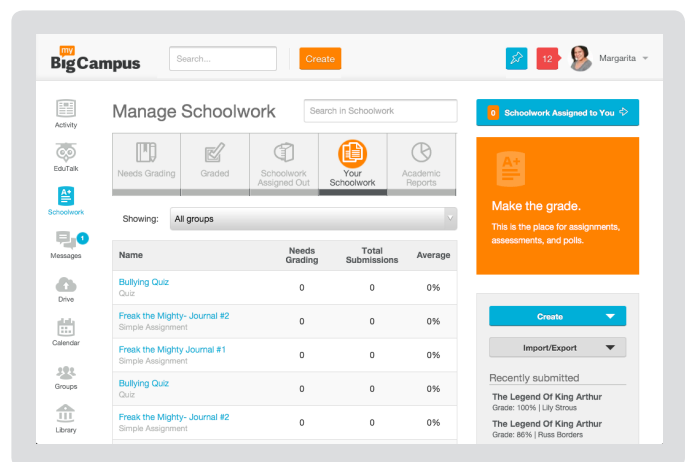

Involve parents in the learning process with the Parent Portal

Store and organize all your files and resources in your unlimited Drive personal storage

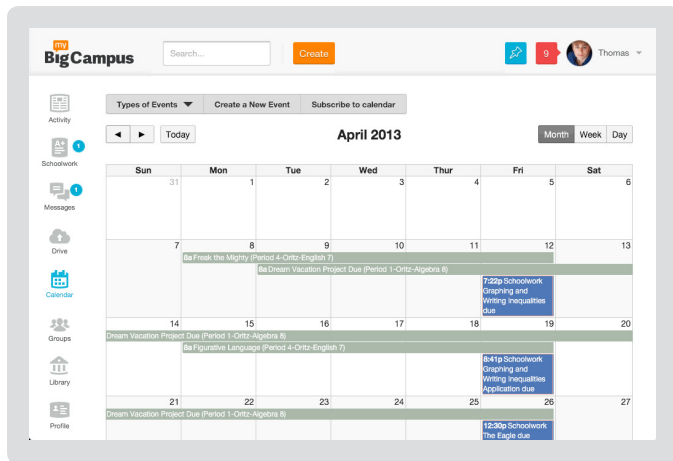

Manage schoolwork and track progress toward academic goals and Common Core mastery

Provide access to resources, videos and more, and find and share standards-based lessons

Keep students safe with reporting, monitoring, profanity filtering, image scanning, no anonymous users, content flagging, and site mentor Bob Campus

"If I had to tell you in just two words what I love the most about My Big Campus, those would be STUDENT ENGAGEMENT. My kids are drawn to this learning environment, and as a result of that engagement their academic achievement increases."

Shawna Slaton, Media and Technology Integration Specialist, Scott County School District 2

My Big Campus is a safe, mobile, collaborative learning platform. But it gets even more amazing when you add our solutions for mobile management and filtering.
